

Ontario Envirothon Competition - How can Stewardship Grey Bruce help your Team!

The Ontario Envirothon competition provides students with hands-on experience, showcasing their knowledge in the four cores areas.

Some of the principles of Envirothon are:

- ▶ Team-based activities
- ▶ Develop critical thinking skills
- ▶ Improve problem solving skills
- ▶ Develop leadership and communications skills
- ▶ Foster a connection with nature

What does the preparation look like leading up to competition!

The four core areas of study for the Envirothon include the following: Forestry, Soils, Aquatics, Wildlife PLUS, a special topic Each Year - 2024 will be Biodiversity in a Changing Climate

DATES TO REMEMBER:

- ▶ Registration opens with Forests Ontario **January 22, 2024**
- ▶ April 30, May 1,2, or 3, 2024 - Regional competition in person Grey or Bruce County – only one day
- ▶ **Provincial Competition** will be in-person and are over three days - May 26-29th 2024
- ▶ National Envirothon Competition will be in New York State

What is an Envirothon Team:

5 members to a team

- ▶ High School Grades 9-12+
- ▶ Public, Private or Home Schools
- ▶ Community Groups - Scouts, Guides, 4-H, Cadets, Faith Based clubs
- ▶ Register with Forests Ontario (2024 Fee \$250.00 plus tax)
